1. Due to the Covid-19 virus issues, the decision was made to make the beach available to members only and households only for boating.
2. Beach clean-up will be done on an individual basis in keeping with social distancing regulations.
3. Discussion about putting docks in will happen at a later date...maybe by May 4.
4. The Board voted to allow cars in the beach.
5. Don Meskie will make a sign and Bill will secure it in a waterproof sleeve and it will be posted in several places to notify folks of the temporary restrictions being put in place.
6. Adin is going to pick up the trash left on the beach and put it in the dumpster.
7. The BOA will meet at the beach at noon to make the beach covid-ready. Picnic tables, trash cans, porta potty, dumpster and trash will all be addressed.
8. The Board discussed possibly purchasing the land next to the beach. More research will be done on that and brought up for discussion later.
9. The next zoom meeting will be announced later as the state or city announces new regulations.
