

AALSIA Board Meeting Minutes
September 2, 2020

Attendance:

Don Meskie

Kyle Langlois

Mary-Lou Ireland

Bowen Jackson

Ray Cahoon

Tish Tanski

Start time: 6:00

End time 7:06

- Outstanding projects: work party for trailers is scheduled for 10:00 AM September 26th, 2020. We have all the posts we need and will see if Brian B can bring his auger.
- We will also attempt to paint the metal shed/container on the 26th if time allows.
- Bowen is still looking into the cost of the battery backup for the gate.
- Tish gave a COVID update and suggested we post updated notices. She also gave a rough draft of the “Love our Lake” poster. Suggestion was to add information on where to get the lake friendly fertilizer.
- Yellow sailboat and trailer owner will be sent a letter with a deadline to remove it or it will be towed.
- Date of October 3, 2020 at 10:00 AM set for dock removal.
- We are still planning on purchasing a new dock this winter when prices are cheaper.

- Board agreed that the paving should be done correctly, and Kyle will get the specs. There will be a sub-committee meeting to discuss pricing and tonnage.
- Kyle brought up the idea of having a Halloween Party for the kids in the neighborhood. Ideas of hiring Mike's band and a Halloween float were talked about. It was agreed that it would be safer to social distance and have the float drive around the neighborhood and deliver candy to the kids. More to come on that subject.
- The Board also agreed to wait until next year to put more money in a money market account or CD.
- The next meeting is scheduled for 6:00 PM September 23, 2020.
- Meeting adjourned at 7:06.
